Job Description

Position Title:	Department:	Reports To:
Advanced Metering Infrastructure (AMI) Technician	AMI	AMI Coordinator
Employment Status:	FLSA Status:	Effective Date:
Full-time	Non-exempt	

Job Summary:

Install, program, and read electric, gas, and water meters accurately and record volume used by residential, commercial, and industrial customers.

Duties and Responsibilities:

- Walk or drive vehicles along established routes to read and input meter readings into computerized reading devices.
- Install and program electric, gas, and water meters and AMI modules.
- Inspect meters and connections for damage, defects, and unauthorized connections.
- Connect and/or disconnect electric, gas, and water services and verify readings.
- Answer customer questions and direct them to the LUS' Customer Service department.
- Attend training and obtain required certifications to stay current with the latest developments and best practices.
- Complete other duties as assigned.

Required Skills and/or Abilities:

- Acknowledge and adhere to all of LUS' policies and procedures.
- Perform duties safely without endangering self, others, and the public.

- Ability to read, write, understand, and follow instructions and job-related materials.
- Ability to use mathematical skills to be able to add, subtract, multiply, and divide all units of measure.
- Ability to follow all safety guidelines required by OSHA.
- Ability to be organized, detail oriented, and handle multiple tasks.
- Ability to take responsibility for your own actions and treat others with respect.
- Attend work regularly and on time.
- Ability to work scheduled and non-scheduled overtime.
- Ability to use hand and power tools to install meters.
- Attend safety training and other meetings as scheduled.
- Ability to work inside and outside.
- Ability to be exposed to all weather conditions including cold, hot, rainy, and windy.

Physical Requirements:

- Ability to frequently lift and/or move up to 25 pounds.
- Ability to occasionally lift and/or move up to 100 pounds.
- Ability to use eyes, hands, and fingers to accurately operate computerized reading devices.
- Ability to walk and stand for extended periods of time.
- Ability to talk, see, hear, reach, handle, and feel.
- Ability to stoop, bend, climb, crawl, and twist.
- Ability to easily walk across undeveloped land that may be overgrown and contain rocky areas.

Education, Experience, and Qualifications:

- High School Diploma or equivalent required.

- Valid State of Tennessee Driver's License required.
